

# **Please Join Our Class Remind App...**

Dear Parents,

The Remind App is a communication tool that I can use to send text alerts to your cell phone. It is a great way for me to keep you advised of important class happenings, upcoming events and to send class reminders. Please follow the texting instructions below to join our class Remind App on your smartphone. Once you send your initial text to the phone number 81010, you will need to put in the information for your child's class in the message area of the text (see below).

## **Steps to Join Our Class Remind App:**

1. Text the number 81010
2. In the message area type the following:
  - For 4<sup>th</sup> Grade: @gt4th22-23
  - For 5<sup>th</sup> Grade: @gt5th22-23
3. You should receive a text back that you have joined the class.

\*This information is also posted on the Gifted & Talented Website-

Please note that this form of communication is one-sided only for me to send messages and I may not receive any replies that you may send to me. Please use my school email address when you need to contact me at [evlachos@bbpschools.org](mailto:evlachos@bbpschools.org).  
Thanks for joining this important and helpful app for class communication via text.
